**Territorial Records**
**Utah and Nevada Territories**
**Microfilm Records**

The records of Carson County, Utah Territory, and of the Territory of Nevada are under the ownership and care of the Nevada State Archives. Most of these materials are in very fragile condition so researchers are asked to use the microfilm copies which are housed in cabinets in the Reference section of the Nevada State Library. The roll numbers used below were assigned arbitrarily by the State Library; arrangement is random.

Roll # 93-01 Recorder, Carson County, Utah Territory
